Control Line National Special Interest Group. (NSIG)

The current NSIG was formed at the end of 2019. It is the representative body for Control Line with the MAAA. Dave Simons is the Chairperson and Joan McIntyre is the Secretary and each State has representative.

“On the NSIG front there has been some action...

- 2024 World Champs team selection process has been settled and approved by MAAA. It will be a multiple event format, same as before. The States are getting organised with their events, but no one knows anything about a Nationals yet, it seems.
- 2 rules change proposals are being considered - one for Vintage Stunt and one for Open Combat.
- All the current State representatives have agreed to continue on - so Murray remains the Vic representative.
- The chair person position is up for grabs - I just don't have the time due to work any longer.

There is a likely new candidate for Chairperson position, but it will be up to the States vote to make the appointment.

Cheers,

Dave Simons”

Translation:-

A. Shing /W. Shermer.

they flew 1000 laps in a time of 58' 2.6"

AROUND THE CLUBS

CLAMF Club competition for Combined Speed and

Vintage Combat held on Sunday 11th September.

It was a busy contest day down at the CLAMF field today. The concrete circle had dried out for some Combined Speed to take place and in the afternoon, six entrants flew Vintage Combat in sunny conditions. The grass was very soggy and there were a few splash/crash landings.

Greg Nelson donated some of his Taipan propellers to the three top placed competitors in Vintage Combat.

Vintage Combat results

		<u>Rd 1</u>	<u>Rd 2</u>	<u>Rd 3</u>	<u>Rd 4</u>
1.	Tony Caselli	L	W	W	W
2.	Murray Wilson	W	W	W	L (No models left to fly)
3.	Mark Ellins	W	W	L	L
4.	Greg Nelson	W	L	L	
= 5th	Harry Bailey	L	L		
	Ken Maier	L	L		

There was a varied selection of models to fly some of the many different classes in combined speed.

Murray Wilson had dusted off some models that had not been used for some time and brought along enough models to have a competition of his own. His monoline class 3 model did not get flown as there was not a suitable dolly available to use and the large grass circle was probably a bit soft for a reliable take off anyway.

Greg Nelson flew his THK .09 powered half A Proto model to within 99.66% of the current record but as a pylon was not available to use, any record breaking flights would not have counted as new records. There were four Half A Proto models flown (would have been five if Harry Bailey's model didn't have a loose filler pipe). Tim Cooper flew his new Half A Proto for three flights in his first ever speed competition.

Results of Combined Speed held at Frankston on 11/09/2022

Pos	Name	Class	Engine	Flight 1	Flight 2	Flight 3	Fastest	Km/h	%
1	G. Nelson	1/2 A Proto	Cyclon JAK 09	24.69	23.55	23.86	23.55	152.87	99.66%

Right:- A long line of a selection of models in the pit area.

Left:- Murray's Class 3 mono-line model that was not flown.

The substituted NSW State Championships that were held at the CLAMF field in Frankston..

September 24th. *The NSW C/L racing and Speed State Championships to be held in Albury this coming weekend have had to be postponed due to the weather.*

The field is already soaked and they're expecting a bucket load more over the next week.

Andrew Heath will post more details as they come to hand about a new date.

September 25th. *With the unfortunate postponement of the NSW State Championships, CLAMF has been offered the opportunity to keep with the original plan of having a 3 day comp and hold it at the Frankston field.*

The events will be the same as what was going to be run but in a slightly different order.

I hope everyone who intended to compete in Albury can still make the trip. We will do our best to accommodate everyone with a good fun competition.

After lots of phone calls to the prospective entrants, the CLAMF club set about organising the planned competition and preparing the field (which had received a good amount of rain recently but was starting to dry out). The weather forecast was in our favour so we were hopeful of producing a good weekend of competition.

Newsletter production time restraints prevent provision of all the results and reports so they will have to wait until the November edition, but in the meantime here are a few of the pictures that were taken to give you a sample of the weekends activities.

Besides the local Victorians that took part, competitors came from WA, SA, Qld and NSW and the entry numbers were terrific considering the short notice of the change of venue. The weather for both days was glorious and with everyone's assistance we managed to complete six racing events plus F2A and Combined Speed.

N.S.W. Combat State Championships results

Many thanks to John Walker and the Muswellbrook club for hosting a great event last weekend. It was windy most of the weekend and bitter on Saturday.

The results are as follows:

- F2D Combat.**
 - 1st. Michael Comiskey
 - 2nd Robert Owen
 - 3rd. Trent McDermott
 - 4th. Marianne Stewart
- 2.5 Slow Combat.**
 - 1st Robert Owen
 - 2nd Michael Comiskey
 - 3rd. Steve Bacar
 - 4th Richard Justin
 - 5th. Trent McDermott
 - Bob Fisher
 - Wally Bollinger
 - 8th. Marianne Stewart
 - Peter Wallace
 - Eric Nutter
- Vintage Combat.**
 - 1st. Robert Owen
 - 2nd. Ross Middleton
 - 3rd. Eric Nutter
 - 4th. Michael Comiskey
 - 5th. Steve Bakic
 - Trent McDermott
 - Bob Fisher
- Open Combat.**
 - 1st. Robert Owen
 - 2nd. Trent McDermott
 - 3rd. Peter Wallace
 - 4th Michael Comiskey
- 1/2A Combat.**
 - 1st. Robert Owen
 - 2nd. Bob Fisher
 - 3rd. Steve Bakic

Many thanks go out to those who cut judges and processed the models over the weekend
Also the people who helped with breakfast and lunch .

Pictures by Warren Leadbeatter.

Be considerate with phone calls. I am in WA & there is a time difference from Eastern States.

U.S. Hard rock maple bearer wood, precision cut and machine sanded.

Cost \$4.50 each plus postage. All lengths 12"

Sizes: 3/8"x3/8"

3/8"x1/2"

1/2"x1/2"

Also, I now have a stock of 3/16" sq. and 1/4"sq rock maple spars.

All spars are precision sanded with 150 grit. \$4 each plus postage.

TCA Italian glow plugs in Australia.

I have for sale a large range of TCA glow plugs.

TCA supply Luca Grossi the current F2A European champion.

There are std type 1/4x32 thread, Nelson style tapered seat with flat coils and the "turbo style" tapered seat.

Italian made TCA Nelson type combat plugs arrived for those that might be interested, \$8 each plus postage.

email: ah Heath296@gmail.com

I can now produce wings and tailplanes that are shaped on a Computer Numerically Controlled (CNC) router and can be any planform and shaped with any section although I have my favourites. The finish and accuracy of these products has to be seen to be believed.

They have laminated leading edge and reinforced front panel on the outboard wing for catching.

Internal control grooves and bellcrank assembly are also part of the package. They are ready for glassing as supplied. A shut-off actuator can be supplied as part of bellcrank assembly if required.

I can also supply spruce for leading/trailing edge etc. cut to any section size.

I can be contacted via Facebook or

Mobile 0404205562
